

Camp Nauvoo is accepting applications for the caretaker position to begin in August of 2018 or at another agreeable time. The position provides a three-bedroom home and all utilities and requires residence on the campground. This position is a voluntary one but provides the home and other things necessary to perform the job. Camp Nauvoo is in the last stages of a large expansion project and we envision its operation requiring a team of people. The successful applicant will need to be someone who can enable and work effectively with a team of volunteers.

Camp Nauvoo is in a unique location with many opportunities for service. People of all different religious traditions come to Nauvoo to explore the roots of the restoration. Nauvoo is particularly important to members of the many different churches that trace their roots back to the original Mormon Church. For many of the visitors who stay with us this is their most significant opportunity to experience a part of the Community of Christ. Camp Nauvoo is an opportunity to practice what we believe about hospitality.

This position will include the ability to perform routine maintenance and light physical labor. The caretaker will manage check in, check out using an online reservation system. He or she will also provide visitor orientation and ensure a safe environment for campers.

The position will remain open until June 15, 2018.
