Our Fearless Leader on his Trusty Steed

During the Great Round Up this week, we experienced that we are WANTED BY GOD! God accepts us as we are and inspires us to be our best self. Some of the my fondest memories are of camp experiences! For me, the experiences of camp gave me faith and friendships that I lean on still today. I want to thank you'all and staff for giving 100% to this camp! You are blessed because you came, trusted and participated! Now go and bless the world! God be with you 'til we meet again! There are a few defining moments such as:

- 1) watching Josh run from Purple People Eaters at campfire ➡ priceless!
- 2) creating an energy circuit at theme class ➡ priceless!
- 3) doing Grey Squirrel after running 10X backwards around the flag pole ➡ priceless!
- 4) Being served a 5 course meal by Grant B. in a Tux ➡ priceless!
- 5) Smothering your friends with shaving cream during messy games ➡ priceless!
- 6) Eating the best food 3X a day for a week ➡ priceless!
- 7) Doing a skit with your cabin ➡ priceless!

Cook's Report

To the tune of "I've been working on the railroad"

We've cooking in the kitchen.
All the livelong day.
We've cooking in the kitchen.
Just to see how you can play.
Can't you hear the bell-a ringing
Now it's time to bless the food
Can't you hear Josh singing
Great God please bless this brood.

Bonne get the drinks
Gary gets the meat
Dennis, you forgot the corn
Bonnie gets the ice
Gary gets the rice
Dennis, you forgot the corn

Someone's in the kitchen it's midnight
Someone's in the kitchen I know
Someone's in the kitchen it's midnight
Digging for one last old potato

Fee-fi, fiddlee-aye-o
Fee-fi, fiddlee-aye-o
Fee-fi, fiddlee-aye-o
Digging for one last old potato

Bonnie, Gary and I had so much fun cooking
for such a good group of eaters. Have a great
rest of your summer and be safe.

Thanks
Dennis

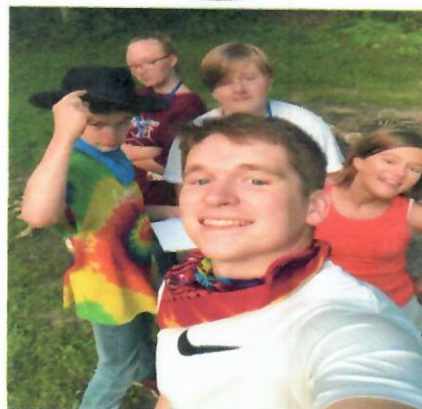

NURSE'S REPORT

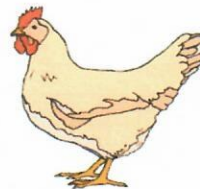

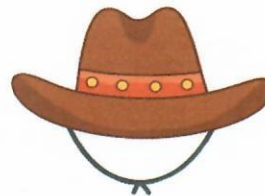

What a week! I think I speak for every single camper and staffer when I say we have missed camps these last 2 years. It's something I look forward to every year. As soon as one camp ends I start counting down to the next one. I've been involved with camps my whole life, this was my first summer serving as the nurse. There was certainly a learning curve, and I have to thank this summer's campers for being healthy and staying (mostly) injury-free. We had a small camp and it was simply perfect. I've been to a lot of camps and summers where the WHOLE camp bonds like they did this summer is rare. It was amazing to see. God put the staff and campers here that needed to be here. Thanks again to everyone and I'll see you next year!!

Our Favorite Past Times

Dice House 3

L to R- back row: Katie, Willie, Elizabeth, Lealoni, Jakiyah, Deyona & Mindy; L to R - front row: Lauren, Emmaline, Sage, Lela

The girls cabin had a great week. We had a moat complete with a protective dragon. We named our cabin mascot, a chicken dubbed Mrs. Henrietta Nugget by democratic selection. We performed an excellent campfire skit, teaching everyone our best (worst?) pick-up lines. and we were kept busy coming up with ways to impress the cabin inspector. Emma and Sage were our late risers. Deyona has the best pick-up lines, Katie brought the sass to our cabin. Lealoni's rainbow striped blanket helped win over the cabin inspector. Camp helped Lela discover new, hidden abilities. the CITs were Lauren, Elizabeth, and Jakyiah. Lauren was often mentioned as the law because she was so mean. Elizabeth makes killer cupcakes and is amazing at Nuke'Em. Jakyiah is quiet and kind but don't mess with her bonnet. Mindy is the most prepared counselor with lots of snacks. Willie was excellent at campfire and was the mom of the cabin.

Dice House 6

L to R: Nate, Matthew, Grant, Nathaniel, Riddick, Grant, Kagen, Drayden, Willmonte, Aiden, Gabreon

Cabin 6 is filled with 8 exceptional boys. First, we have Kagen who is the source for the cabin's energy. Next, we have Riddick who is the cabin's explorer. Gabreon always brings a smile to the other campers' faces. Next up, we have Willmonte, who is always willing to throw himself into a new activity. Grant T. who is the cabin comedian, can be found making his fellow campers laugh. Next, we have the wise Matthew who never fails to offer up some sage advice to his cabin mates. Then, we have Nathaniel, the MVP of Nuke'em. Last but not least, we have Drayden who is the undoubted champion of Sharks and Minnows. The cabin is headed by arguably the greatest duo of counselors, Grant B. and Nate. Their dynamic and co-leadership created a path for the cabin to be the best. And we can't forget our great CIT, Aiden, who did an amazing job, even though he was confused as a camper throughout the first few days. YEE HAW!!!!!!

Last Wills

L to R: Nathaniel, Lela, Matthew, Drayden, Willonte & Grant T

I, Willonte Evans, being of sound mind and body shall give thy fortune to thy cabin mates. My good looks to Deyona.

I, Nathaniel Goff, being of sound mind and body give my good looks, lots of money and my yacht to Grant and Matthew. Good Luck!

I, Drayden Hampton, being of sound mind and body leave the tire under my bed to Grant B. and Nate (50% each). I leave my name tag to my pet chicken. And my smelly socks to the girl's cabin.

I, Matthew Morgan, being of sound mind and body give Nathaniel by bug spray to fend off unwanted visitors. I give young Grant a potato to add to his collection. Lastly, young Grant can have a piece of tape.

I, Lela Neeley, being of sound mind and body give my introverted side to my brother Kagen (he has way to much energy for his little body). My compass skills to my counselor, Willie.

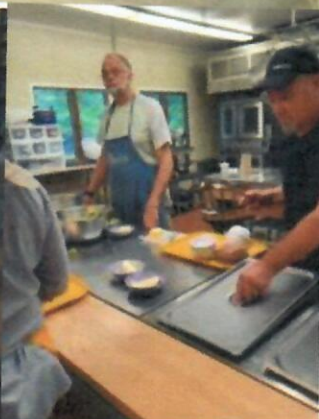

I, Grant Tucker, being of sound mind and body shall give thy potato to thy Nathaniel for he needs it. To Sage, you get a potato. For thy Matthew, a potato. And to Aiden, A POTATO and to Drayden a potato.
