# DIRECTOR'S REPORT

Scott Gelande

What a great camp! I am always amazed at how quickly we become family at CVG. On Saturday we barely knew each other and in 4 short days we grew to love and care for each other. Camp is amazing place where we can be ourselves and know that God is watching over us.

This week we have been talking about building a Zion community. This means that we treat each other as Jesus would. We accept each other, we don't make fun of each other, and we help each other when we need help. This means that we are "Game Changers". A game changer is a difference maker and one who we can count on to come through when things are the toughest. These are the type of people that God needs in order to build his kingdom on earth.

I truly hope that each camper has loved their experience at CVG. No matter if it's your first time or you are an experienced camper, we know that we grow each time we get together and share God's love.

I hope to see you at camp next year and you always have my number if I can help you in any way!

Love you all like you are my own.

-Scott Gelande-

# PASTOR'S REPORT

Gaelane Rosinski

This year, our theme for camp is "Jesus is a game changer".

We learned our Theme Song - "Every Move I Make".

On Sunday in theme class, we talked about faith and how we can't accomplish anything without a plan and faith.

Then we talked about Jesus' Disciples and how they were fishing without results. Then Jesus had them throw their nets on the other side of the boat and they caught a lot of fish. We got to "go fish" and act out a scene.

On Monday during theme class, we practiced our theme song again.

Then learned about Jesus walking on water and how Peter didn't have enough faith to do the same.

But Jesus is a game changer for sure and the disciples learned how to strengthen their faith.

And so can we!

# COOKS

Mel, Deb & Mandy

We have THE BEST cooks around! Thank you so much for feeding us morning, noon and night plus snacks! The meals are some of our favorite parts of camp!

# NURSE

Kristina Ihrig

We've had another amazing year at Jr. Church camp! We survived "massive" storms, "attack" trees, thousands of "ginormous" spiders, and "ferocious" frogs. We only had minor injuries that were quickly healed. All-in-all it was a successful week!

I'm so happy to meet such a wonderful group of campers! It warmed my heart to see our returning campers and meet our new ones. I loved each smiling face I encountered. It was a blessing to get to know each one of you! I can't wait until next year to see you again!

With Love and God Bless,  
-Nurse Kristina-

# CABIN 3

Cabin 3 was full of many beautiful, smart and rambunctious girls. While we all had our moments, the girls were all wonderful and brought their own special qualities into the cabin. Alexis was shy at first, but she eventually broke out of her shell and warmed up to everyone. Ci'Kauriae was hesitant at times, but turned out to be the best dishwasher at camp. Tracy was always ready to lend a helping hand, even when she didn't have to. Kiley had a love for frogs and toads and shared her ambition with the cabin. Cra'Dareah was always ready to have fun and wanted others to also have fun. Londynn was a mix of sweet and sassy and helped everyone have fun. Kyra wasn't shy and made lots of friends. Kaylee was mature and made everyone smile. I'm so glad I got the opportunity to spend time with these 8 wonderful girls!

Back Row - Erin Wykert, Lucene Wykert, Chloe Reaves, Addi Whiles & Emma Chestnut

Front Row - Dallas Holley, Ayla Eastwood & Ryleigh McManus

# CABIN 6

I think we all agree that the playground and campfires are just the best at camp and that bugs shouldn't belong where we sleep!

We enjoyed our pet frogs while we had them too!

Chloe was always eager to join into any fun. She was very excited to join in on all the activities and was always polite!

Addi was very shy and after coming out of her shell, she showed us how outgoing and sassy she can be! She is very athletic and an amazing girl to be around!

Ryleigh was always on her own timeline because she spent most of her rest time on the airplane. She was very bubbly, positive and always gave us trivia.

Dallas was one of our coolest campers and her personality is just amazing! She gets along with everyone, participated in the archery, loves cleaning, and is very caring!

Ayla was very shy at the start, but she started letting herself show! She is reliable, she is very sweet, caring and loved to do anything she was asked to do.

Lucene is a year away from attending camp (she came early since mom was a counselor) and she fit in perfectly. It took her sometime to get in on big group activities but once she did, she was into everything - especially the skits!

Back Row - Keius Williams, Alec Gelande, Avi Malde, Grant Tucker, Mathew Morgan  
Front Row - Devon Holmes, Noah Rockwell, Henry Ihrig, Colton Wykert, Noah Reaves, Willie Stokes & Tyler Reaves.

# CEDARS CABIN

This year, we had a very eclectic group of guys from different places that taught each other many new things while having a ton of fun! Our staff was led by myself and my wonderfully talented replacement, Josh. We also had a super helpful group of CIT's in Dev, Avi, Grant, Matthew and the lately added Nathaniel. Our campers included Willie (the biggest hater of naptime), Tyler (the Nuke'Em Aficionado), Keius (the disc golf dynamo), Henry (the commander of clean dishes), Colton (the master of the Rubiks Cube) and our two Noah's that mysteriously became one. This camp was a blast and I'm extremely thankful for the opportunity to be a part of it. Can't wait till next year!
