Please note: the recording began approximately three minutes after the presentation started, but the majority of the workshop content, key information, and the Q&A discussion are included in the video.

During the workshop, participants learned about:

- Common identity theft tactics and scams
- How phishing emails attempt to trick individuals into sharing information
- Warning signs and red flags to watch for
- Practical steps to safeguard personal and financial information

Attached are two resources shared during the presentation:

- [Identity Theft Checklist](#) – practical steps you can take to protect your information and monitor your accounts
- [Common Scams](#): Phishing Email Example – a visual guide identifying common warning signs found in fraudulent emails
