May 19, 2024

To the Cedar Valley Nauvoo Mission Center

This letter is to advise you that Bishop Ruth Denise White has assumed responsibility for entering the 2024 income and expenses for Camp Nauvoo into Shelby (Community of Christ information systems application). Bishop White will receive any questions or concerns you may have regarding this effort.

We are deeply grateful to Bishop White for her ministry, leadership, and professional expertise as she supported and coordinated the four-person team dedicated to completing Camp Nauvoo financials and bringing all accounts up to date and into full compliance with Community of Christ standards of practice. We also extend our sincere gratitude to the team: Brad Bengé, Robert Cook, Lynn Poplett, and Rex Sandidge.

In Christ's Peace,

Robin K. Linkhart
