Romans 12:12 “Be joyful in hope, patient in affliction, faithful in prayer.”

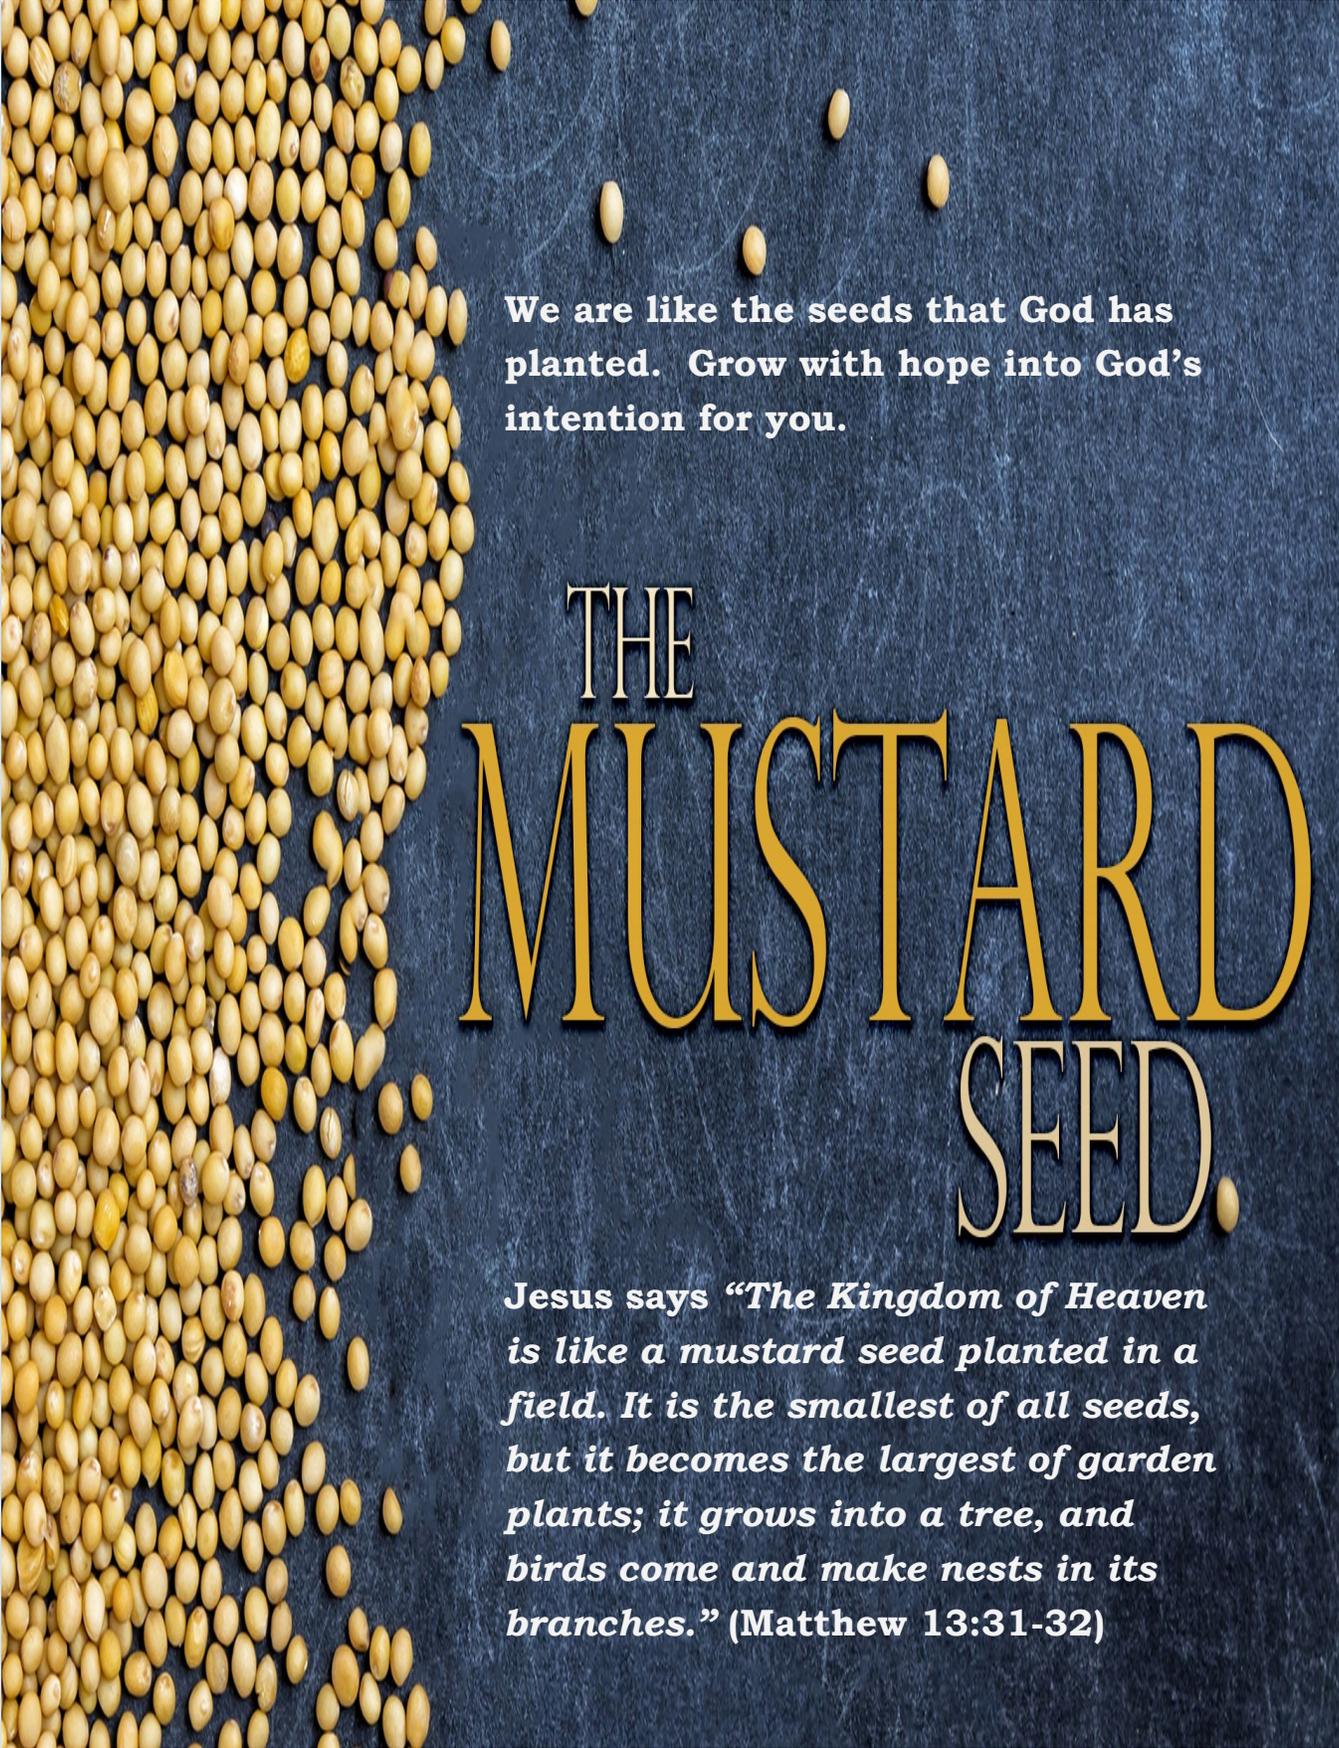

The Bible says fellowship and hope are one in the same in Christian faith. Fellowship is shared life and mutual support among believers. Our fellowship is rooted in our relationship with God. Hope is a expectation of God's promises, often linked to the return of Christ and eternal life.

The Seed of Life is formed by seven circles, with one circle in the center and six surrounding it, all intersecting at the center. It is seen as a blueprint for life, holding the patterns for all living things. The Seed of Life is linked to various spiritual concepts.

In the Bible, the "seed of life" most commonly refers to God's word and its power to bring forth new life, both physically and spiritually. It also symbolizes the inheritance promised to Abraham and his descendants. Furthermore, Jesus himself is identified as the ultimate "Seed," representing the source of eternal life.

**We are like the seeds that God has planted. Grow with hope into God's intention for you.**

# THE MUSTARD SEED.

*Jesus says "The Kingdom of Heaven is like a mustard seed planted in a field. It is the smallest of all seeds, but it becomes the largest of garden plants; it grows into a tree, and birds come and make nests in its branches." (Matthew 13:31-32)*
