Discussion of best future meeting times

Robert reported on financial arrangements for camps

Scott reported on CVG work days

Robert reported on CN cash flow issues and the segregation of deposits. I suggested the they avoid taking money out of the stock market and that instead we allow some of the deposit funds to be used for operations, so long that there are sufficient backup funds in the stock market account.

Motion by Robert to approve allowing 20,000 to be transferred from deposits to operations. Evelyn seconded.

Vote taken - unanimous

Scott suggested we talk about CVG financial strategy in future meetings.

It was suggested that we wait until after Donald produces his reports.

Robert moved to adjourn and Dan seconded.
