

CVG Op Minutes - July 1, 2025

Attendees: Deb Batey, Gaelene Rosinski, Robert Cook, Lisa Hill, Cathy Reeves, Duane & Lisa Webster, Deb Wykert

Discussion about the caretaker following through with purchasing items the board has approved to be purchased. Gaelene will work with Kent to get clarification about which items he owns versus the campgrounds.

Family camp just ended. It was a lovely family building time. Jr. Camp was also a very good experience for all who attended.

A lot of cleanup work has continued thru the camps, with the closets getting organized. Grounds are picked up very well, so Jr. High camp should have a good time as well.

Viability Study = will meet next Wednesday with Donald Welch.

Fans in lodge need to be replaced with light kits. (8 of them) Kent suggests we get commercial fans. Ministry building, Lodge windows were cleaned inside and out, and the inside of Cedars windows have been cleaned. Some lightbulbs still need to be replaced.

Screens in the lodge need to be washed and put back in.

Gaelene has an invite that she will send out for us to make any suggestions. We will then send them out along with a brochure.

Ministry building - bead board to correct the wall in the bathroom? The main leak has been fixed, but there are still a couple of smaller leaks that Kent needs to fix. Whole wall replacement would not be any more work than replacing the whole wall.

Cabin 2 has a leak and the ceiling is in danger of falling. We need to get the roof fixed to prevent more damage.

Bell tower needs to be reinforced.

Some shelters need to be restained. Takes about 5 gallons per cabin.

Would like to get a stain party so we can get them done at a decent cost.

Gaelene would like to have a couple of retreats. Christ Among Us Now –

Christ centered retreat. Wellness retreat – Yoga, massage, CPR class,

then an All Church Campout on a Saturday night, with a fellowship on Sunday – short retreat.

Nurses room is missing about 3 pieces of ceiling.

Motion to close by Cathy Reeves, 2nd by Deb Wykert.

Respectfully submitted,

Deb Wykert 7/1/25
