

April 14, 2026 6 PM Zoom

Attendees: Deb Wykert, Lisa Webster, Duane Webster, Gaelane Rosinski, Kent Levan, Randy Reaves, Robert Cook, Cathy Reeves, Patrick Gelande, Scott Gelande, Evelyn Dustin, Denise White

Meeting opened with a prayer from Gaelane Rosinski. Minutes were read. Checking \$8240.21 Balance, \$2700 personal donations, interest \$108.23, \$ 72879.83 balance on savings.

Lawnmower and bobcat have both been fixed.

Has everyone been able to get into the spreadsheet of articles owned by the campground?

Golf cart? Wait to bring out till closer to camp to bring it out. Scott will need it out sometime soon. He will let us know when it will be delivered.

Doors are almost all installed. They will need to be oiled as soon as installation is complete.

Water is back on for the dining hall. Kent has fixed 3 leaks. Will be testing the ice maker after it is hooked up as well.

Cost of doors are almost double. We thought about \$600 for the whole set up but looking much higher.

DNR emailed on Friday to inspect, review the sewage lagoon on Friday the 24th at 11:30. Most likely the lagoon will not cause issues for us this year. We will request an email telling us inspection went well, and will be able to be used and not cause issues for camps this year.

Patrick does not have anything concrete yet to report on the web site. Work continues. Patrick requests any good pictures that we might have that could be used on the website.

Have had about 10 showings, only 1 offer but it was not acceptable. Still seeing a lot of traffic on line.

Nurses report – will be filling supplies closer to camps. Have a critical care kit that has Narcan and has EPI pens.

Closing prayer by Kent Levan.

Respectfully submitted,

Deb Wykert
